Our work is not done! The attacks on retirement security issues and programs will continue through 2015 and beyond in the Wisconsin Legislature and Congress as they work to dismantle important retiree and working family programs. Learn about strategies to protect and strengthen current programs from our guest speakers and panelists. Participate in the election of officers and board members who will guide us for the next 2 years. The **registration fee is \$50 and includes all materials, continental breakfast, lunch and parking at the Concourse Hotel.**

The registration form for the convention is enclosed. Please mail the completed form with your payment by February 20, 2015. If you have any questions, you can contact us at 414-771-9511 or by email at [office@wi-alliance.org](mailto:office@wi-alliance.org). We hope you will join us for what promises to be an educational, informative day!
