Dear Governor Evers,

Thank you for proposing a budget that invested in Wisconsin by prioritizing the Wisconsin Technical College System, middle class tax cuts, and childcare.

Unfortunately, the legislature has foolishly rejected most of your budget, proposing:

- Slashing Technical College and University of Wisconsin System funding
- Eliminating your investment in childcare
- Rejecting federal funding for healthcare
- Cutting school lunch funding
- Giving massive tax cuts to the rich

This is not a budget that will help our students, our schools, the environment, or Wisconsin's working and middle-class families.

I urge you to veto it.

Thank you,

Dr. Lisa Conley  
President, AFT Local 212
